

Delphinium 'Magic Fountains'

☼ 2x3 Z8 Dark Blue, white eye
LIME

**Delphinium elatum 'Magic Fountains' - located in Delphinium Bed Dark Blue with White Eye
Zones 4-8 Full sun, part shade Herbaceous Perennial Water regularly Prefers ALKALINE
Soil Fertilize regularly 2'x3' Stake**

The Magic Fountains mixture of shorter, Pacific-type Delphinium seedlings offers an exceptional range of colors, including lilac, pink, sky blue, dark blue and pure white, white with a black bee. Flower spikes are large and full, growing up to 3' tall.

Magic Fountains blooms in early to midsummer. Once the plant is established, shear it back almost to the ground right after flowering to encourage a second bloom in fall. Deer and rabbit resistant.
