

Wild Ginger 'Quicksilver' ●●● Semi-E 2" Brownish Hidden Flowers 1x1 Groundcover

***Asarum Splendens* (Chinese Wild Ginger) "Quicksilver" - located in Chimney Bed 2" Purple and Brown Pitcher-shaped Hidden Flowers Upright Zones 6-9 Shade to Part Shade Semi-Evergreen Perennial Water regularly 1'x1'**

Asarum splendens features 2" purple and dark brown pitcher-shaped flowers hiding beneath glossy green, elongated, heart-shaped foliage with great silvery mottling that creates a shimmering effect in shady, woodland gardens. Semi-evergreen perennial that spreads vigorously by rhizomes.

It thrives in humus rich, moist, well-drained soil. Quicksilver Wild Ginger is perfect for naturalizing in woodland gardens or planted in raised beds or containers, where the flowers can be enjoyed. Deer and rabbit resistant.
